Greeting and Announcements

***Hymn:** *For All the Saints* UMH 711

*Call to Worship

On this All Saints Sunday, we gather to remember teachers and storytellers who made God's stories come alive for us.

We give thanks!

We remember choir members, praise bands, organists, and all the musicians who sang and played your praises.

We give thanks!

We remember preachers and lay leaders who led our worship through the years.

We give thanks!

We remember parents, grandparents, aunts, uncles, cousins, and siblings who showed us how to hold fast to the faith.

We give thanks!

We remember our church families – this one and others we have loved. We remember all those who have been a part of this faith family with whom we grew our faith and our love for God and neighbor.

We give thanks!

We remember our ancestors in the faith whose courage enables us to be here today.

We give thanks for the saints who came before us, are present here with us, and will continue after us. Thanks be to God!

Opening Prayer

Almighty God, you have knit together your children in one communion and fellowship, in the mystical body of your Son, Christ our Lord. Grant us grace so to follow your holy saints in all virtuous and godly living, that we may come to those unspeakable joys which you have prepared for those who sincerely love you; through Jesus Christ our Lord. Amen.

Join Pastor Rachel for a 6-week study of the stories of biblical figures who were willing to take a leap and trust in God through the most difficult moments. Together we'll explore a different story each week through scripture and through the interpretations of these stories by visual artists, writers, and poets including Marc Chagall, Leonardo Da Vinci, Robert Frost, and others.

This will be the last Bible study of 2025!

Cass Community Social Services offers programs to people living in areas of concentrated poverty in Detroit. Each year 700,000 meals are served, 300 men, women and children are housed, 125 developmentally disabled adults participate in a skill building program, hundreds get medical care through a free clinic with the help of WSU and up to 85 people are employed in their Green Industries program. In addition, Cass is developing a neighborhood of Tiny Homes adjacent to the main Cass Campus.
