L: Holy Spirit, confident sister, you have walked with us and believed in us. We give you our hearts.

**Unison Prayer**

**God of Love, Mother of our Souls, we thank you for the gift of life: that by your grace we are born anew from you; that you nurse us at the breast of Creation, that you have held us, guided us, and taught us to walk. You gather all your children in your loving arms; grant us peace with one another in your love. We pray for all mothers, givers of life; strengthen them with your love and grace. We pray especially for mothers who raise their children in poverty, violence, war or unhealthy environments; that we**
